

Not a Study of PSD

Not To inventory every Copy & typewriter Machine.

Publication Requirements

NOT odd bits

But Bulk -

DDI - Vol. coming to Analysts is enormous.

We reproduce much -

It comes because it exists

why not (1) Redefine bulk then decide's  
should

look at ② Agency is to get substantial info. <sup>Concern</sup>  
1-2-3

Internal Publications should have

second priority to external ~~and production~~

(3) Publications of many copies - we should question <sup>need</sup> us

- + + + + +  
and lines of reader -
- (4) Detained Monthly Weekly reports  
also are reproduced in my Axis  
This too takes printing & reader line -
- (5) How much justification is necessary for printing  
~~or publication~~

Not to study DDP Printing -

Epic  
Photon  
Computer

Should Printing be exclusively PSD process

D  
NPIC

STATSPEC

What is scope (what is included) in Study -

Pgarmy Comms Group  
automatic dissemination  
waste disposal -
